NUITS-SAINT-GEORGES

2014

A lovely example of Nuits-Saint-Georges.

Beautiful deep colour. The nose is complex and elegant. It offers a great concentration of cherry and liquorice rich aromas. The mouth reveals hints of undergrowth. The wine is silky, rich and elegant. It has an excellent ageing potential.

The place-name is "Combe du bas," at the edge of Vosne-Romanée, facing Clos du Réas, on a clay-limestone base covered over with clay silt.

The parcel was purchased in 1932 by André Mugneret.

The age of the vines gives this wine good ageing potential, however, it is also enjoyable when young, thanks to the vegetal nuances associated with mature fruit. Serve with: red meats with sauces/gravies, morel mushrooms, eggs in red wine sauce.
